

Hon. LISE PEARLMAN (Ret.)

Author • Speaker • Educator

BENEFITS

- Audiences are reintroduced to the significance of historic 20th Century trials and their continuing impact on our 21st Century world.
- Lectures are enhanced by the use of period photographs and newspaper headlines which bring the trials alive.
- Attendees are inspired to question and discuss the material presented.

Retired Judge Lise Pearlman is a nationally recognized speaker, appreciated by history buffs and legal professionals, service organizations, book clubs, students and lifelong learners.

She speaks with an engaging style and displays a phenomenal command of the details of the 20th century headline trials featured in her 2012 award winning book *The Sky's the Limit: The REAL Trial of the 20th Century?* Her talks open the door into courtroom dramas that enthralled the American public in decades past and still influence the events of the present day.

Her most recent book, *American Justice on Trial: People v. Huey Newton*, is the basis of a documentary film sponsored by Arc of Justice Productions, Inc., a non-profit arts organization (www.americanjusticeontrial.com) of which she is the co-producer and co-director.

Now retired from the bench, she is a mediator with Alternative Resolution Centers [www.arc4adr.com].
